

- Note: Your driver will be waiting for you approximately **45 min.** after landing at the **meeting point**, holding a welcome sign. Schiphol's distinctive red and white cube – known as the 'Meeting Point' – is being moved to new to-be-determined location. In the meantime, a temporary meeting point has been established. The temporary meeting point is located in the main hall of the airport, close to the Burger King seated area and in-between the escalators to train platforms 3-4 and 5-6. Just look for the black and white 'meeting point' sign. We will always monitor your flight and are therefore up to date with any early arrivals or delays.

Please make sure that we have your **correct phone number**, and that it **is switched on** (free WIFI at the airport). That way you can contact/text us & vice versa (+31 624 87 61 96), if there is any unusual delay at customs or luggage collection. Your driver will **always** wait until your flight is completely handled and will never leave without trying to reach you first.

- For departures, we advise a pick up time from your hotel/ accommodation **3 hours before departure** (If you are staying in Amsterdam)
